CHAIRMAN'S MESSAGE

MR. GREESH GUPTA

Shree Hanumat Education Society (Regd.) brings quality education to Goraya under the banner of the SHIMT Group of Institutions. Located away from the din of the city, the institute has a state-of-the-art infrastructure but shall remain deeply rooted in the system of ancient Indian educational traditions.

We teach our students to be an entrepreneurs & they shall have ethics as their guide at the same time. This shall help them to go from accomplishment to accomplishment but with humanity on their side. This is the need of the hour. We understand that SHIMT is a professional institution and we have to get our students job ready, but that is not the only aim. Our approach with respect to our students is holistic and we try to turn out complete citizens. Our efforts are aimed at producing achievers, go-getters and leaders of the highest quality.

We are of the firm view that SHIMT and its students shall always be proud of each other.

The opening and running of SHIMT is history in the making since we are investing in providing the students an environment of Academic excellence. Google search or otherwise, SHIMT is second to none. The students have the talent, we provide them the resources of finest quality, be it education or curricular activities. The faculty is no doubt highly qualified, but still we provide them regular training to keep them in tune with the latest in the world of academics because they are the ones to provide the students perspectives and perceptions. We aim at turning out students who are not only office smart but world smart.

SHIMT teaches its students economics but with a touch of kindness. It is an Institution where the students have thinkers like John Ruskin for their guide and mentor.

MANAGING DIRECTOR'S MESSAGE

MR. SUKHWINDER SINGH KANG

MESSAGE OF THE PRESIDENT

MR. NARESH GUPTA

The aim of establishing SHIMT at Goraya is to bring higher education of the highest order to this Industrial town located in the heartland of Doaba. The immediate purpose of the Institute is to begin providing professional education to our students and the ultimate aim is to help Goraya claim the top position in the map of education world. The institute commits itself to making no compromise with respect to the infrastructure, faculty and the R&D. We understand and appreciate the fact that the name of an institution travels through its students as they are the true ambassadors of the institution & therefore, no stone is left unturned in providing them that extra edge that shall see them through in this competitive world. Even though we are just making a beginning, we can already see our Alumni, that we shall definitely be proud of in times to come.

It gives me great pleasure and pride to welcome the students to SHIMT Group of Institutions. I assure you that your stay with us shall be transformational. It is our prime responsibility to support you to set clear goals for your future and to provide you with every resource and input that shall help you to build a distinguished personality in your chosen field.

We will focus on the strengths of each student and aid you to have an innovative bent of mind utilizing your unique capabilities. Our motto is to groom you in such a way that your potential shall reflect as an effective performance through a holistic development. We shall teach you how to think, not what to think. I promise you a committed and supportive faculty, a dedicated training and placement cell and a complete caring and cooperative learning environment. I am sure you will make us proud with your achievement in future. Last but not the least, I express my sincere gratitude to the parents for choosing SHIMT for building the future of our coming generation. I am sure with our student-centric approach, your support and the blessings of the Almighty we shall be able to achieve the apex of success.

FROM THE DIRECTOR'S DESK

DR. SHELLY REKHI SHARMA

INFRASTRUCTURE

SHIMT has a smart campus with wireless hotspots. It has a multimedia lab with computers having the latest configurations. It has the facility of public address system in order to reach out to the students on the campus category wise and universally.

ADVANCED TRAINING KITCHEN

The lab focuses on and revamps the prime skills required to be a good chef. It is identical to a typical hotel kitchen, where the students can challenge themselves to turn their creativity into delectable cuisines.

CONFERENCE HALL

There is an elegant conference hall decked up academically to hold conferences and group discussions to teach the students the art of discussion and debate.

BAKERY

With all major equipment in place, this lab is one of the most integral parts of the infrastructure with the production department imparting skills to the students in the art of baking.

BAR AND RESTAURANTS

There is a bar & Restaurant conforming to the International standards with respect to the hospitality industry to provide the students real time training. The ambience is only to be seen to be believed.

KITCHENS AND CONFECTIONARY

SHIMT has high-end kitchens & confectionaries for training purposes. Students of Hotel Management benefit from it. They have been designed to polish the culinary abilities of the students.

HOUSE KEEPING

Clean and orderly house is the abode of "Gods" and so much of the "guests". The Housekeeping Lab includes a guest room and linen department. It equips the students with the skills imperative for managing the linen requirements of guests, and their laundry, using chemicals and other cleaning agents for maintaining the guest room in an ideal condition and taking care of the needs of the guests.

SEMINAR HALL

There is a huge seminar hall to hold discussions, symposia & talks to keep the students enlightened and well informed so that they remain competitive.

FRONT OFFICE LAB

In order to train the students in the latest technology being used by the hotels for Pre-Reservation, Check-in & Departures; an exclusive front office lab has been designed. Our students get the actual feel of role plays as Front Office personnel and guests.

QUANTITY FOOD KITCHEN

Here the students learn to make Menus. They deal with the preparation of items on the menu and even otherwise on a bulk scale.

FASHION DESIGN LAB

In order to provide hands-on experience to our budding fashion designers, we have various labs like Garment construction lab, Fashion Illustration lab, Pattern making lab and Computer lab. The Labs are fully-equipped with beautiful life-like mannequins, industry-grade stitching machines, dress forms and pattern making tables. We also have latest and updated computer softwares related to fashion designing fields so that students can be honed to the industry standards for a bright future.

LIBRARY

SHIMT has a traditional resource room and an E-library with reference books & magazines on traditional subjects & current topics.

LECTURE HALLS

Lecture halls are all very airy & spacious & equipped with the latest in technology.
